

Second Game In Local Series Is Delayed By Rain

Truckee Will Play Colfax
There Next Sunday
Little Says

BULLETIN: The game Sunday, scheduled here, has been shifted to Colfax, R. N. Little reports.

Both the baseball game and barbecue scheduled for next Sunday have been called off because of the wet grounds and unseasonal weather.

R. N. Little, business manager for the Truckee Mountaineers, is attempting to have the game between Truckee and Colfax played at the latter town Sunday so that the club will not be too far behind in the schedule. Last Sunday's game with Placerville was cancelled because the weather, as was the barbecue which was to have preceded the game.

A. G. Thurman, league secretary, told Little this morning that he would contact officials of the Foothill League which has a game scheduled at Colfax Sunday and if there is anyway that Truckee can play there he will advise the local manager. In event it is played, Colfax will come here on the date when Truckee should ordinarily play at Colfax.

All was in readiness for both the barbecue and game and up until Saturday afternoon's terrific downpour, plans had been made to proceed. However, the storm made either game or feast impossible. Approximately 75 Truckee women had prepared home cooked items for the menu and although disappointed and inconvenienced by the weather, they agreed to duplicate their efforts when the weather permits.

It is not known whether the Placerville game will be played at a later date or as a double header.

PLACER-NEVADA LEAGUE STANDINGS

Bay City Man Injured In Crash at Kingvale

Robert Busseau, 24, San Francisco insurance adjuster, suffered broken ribs, a deep injury to his right knee and multiple bruises Monday afternoon when his car was wrecked near Kingvale on Donner Summit.

Busseau, who was en route from San Francisco to Reno, was believed to have fallen asleep at the wheel of his 1949 model car. The vehicle followed the shoulder of the road for 200 feet before plunging off the right of way.

The injured man was taken to Dr. L. D. Nelson for treatment. State Patrolman George Schrom made the investigation and cited Busseau for carrying a concealed weapon.

Eastern Star Members To Travel to Loyalton

Truckee Chapter No. 116, Order of Eastern Star held their regular meeting on Tuesday followed by refreshments in the banquet room. J. D. Anderson of Westgate Chapter, Berkeley, was a guest of the evening.

Practice for all officers will be held in Loyalton on May 22 and June 5 at 1:30 p.m. in preparation for the official visit on June 7 of Worthy Grand Matron Elveta Growle. Officers desiring transportation will contact Mrs. Stanley Zwarg.

All-Male Program at Women's Club Meeting

Mrs. Rufus Gregory will preside at the Women's Wyethia Club meeting to be held Friday evening, May 20, in the club's building. On the program Jack McGlade will sing and Art Rafel and Wayne Phillips will be heard in piano and accordion selections.

Mrs. Walter Loynd will be chairman of the refreshment committee and will be assisted by Mesdames Elden Tonini, Earl Brown and David Rose.

Man Dies After Car Dives Into Yuba At Rainbow

Car Abandoned on Rocks
Following Accident
On Summit

Niel H. Radabaugh, 47, Alameda insurance adjuster, was drowned Friday morning when the new car he was driving missed the bridge at Rainbow Tavern and plunged into the storm-swollen Yuba River.

First indications of the mishap, which is believed to have occurred during the early morning hours, were discovered by an employee of the tavern who saw car tracks leaving the highway and ending near the bridge. Later in the morning, after the muddy waters had cleared somewhat, Ernest Tschoop of Rainbow Garage saw the car 115 feet from where it went into the stream.

Rafts were attached to the bridge and rescue operations were conducted. Grappling hooks were attached to the submerged vehicle and it was brought to the surface about 3 p.m. Radabaugh's body was found in the front seat.

State Patrolmen Roy Stallard and George Schrom were on hand to investigate and make a report of the affair. It is believed by officers that the driver may have gone to sleep and drove off the road. Radabaugh was en route east when the tragic mishap occurred.

Driver Cited
Near the same spot, two other lesser accidents occurred the same day. Francisco Baltagan, Alta, was cited for driving without a license after his car left the highway near Rainbow and crashed into a culvert.

Another car, registered to Henrietta Click, Los Angeles, was abandoned Friday after crashing in the rocks near Rainbow. The car, a 1934 Ford, was found off the road, 27 feet from where it hit the rocks. No one was found near the wreck and patrolmen are investigating.

TAHOE TEACHER TRANSFERS TO AUBURN STAFF

Mrs. Bliss Hinkle, principal of Lake Tahoe branch of Placer high school, has been assigned to the English department of the Placer Union High School at Auburn as a teacher for the school year 1949-50.

The action was taken by the board of trustees after a legal opinion was received stating her tenure applies in the Placer Union district and not to the newly created Tahoe Truckee Unified district.

Truckee Delegates At Pythian Convention

Mr. and Mrs. Robert Bick, Mrs. Charles Heller and Mrs. Frank Gaennie of the Knights of Pythias and Pythian Sisters lodges represented the local orders at a convention held from Sunday, May 15, to Friday, May 20, at Hoberg's Resort in Lake County.

A costume style contest was held on May 18 with an old fashioned dance that evening.

Mrs. Heller, lodge deputy, entered the showing of old time costumes in a rose print dress and black bonnet trimmed with ostrich feathers and roses, copied from those prevailing 100 years ago and has been loaned a black lace jacket trimmed with beadling which was worn about that time by a relative of Mrs. William Englehart Sr. A black lace and brocade parasol, long sheer plush gloves, brocade bag containing a fan and a lace mantilla completed her contest ensemble and are the property of Mrs. J. H. Bernard.

Art Williams, in Army, Visits Local Friends

Art Williams returned to Roseville on Tuesday after visiting at the A. L. Davidson home for several days. Williams, former Truckee baseball player, is in the army now and will join an engineers brigade in Georgia in a short time.

Loynd Named To Head Local District Board

No Exceptions Granted
As Decision Nears
On Annex

E. L. Loynd was chosen president of the Truckee Public Utility District at the organization meeting held Tuesday night when the newly elected member, Charles R. Heller was installed to replace C. E. Smith, who for 22 years headed the directors.

The board had announced a hearing would be held Tuesday night to hear objections to a proposal to annex territory in the Donner Lake area. No exclusions were allowed and C. Edmunds, manager of the district, was instructed to consult with the attorney, T. L. Chamberlain at Auburn, relative to steps necessary to complete the annexation, Loynd said.

The new district must decide whether it wishes to be annexed to the local utility. The step was taken to provide domestic water service to the subdivisions and all expenses involved, including installation, maintenance and administration must be borne by the annex, the ordinance sets forth. No estimate of the cost has been made public.

ALL IS READY FOR K.P. EVENT FRIDAY NIGHT

All is in readiness for the 49th annual roll call of Summit Lodge 54, Knights of Pythias, according to an announcement by E. D. Waters, chancellor commander, following last Friday night's meeting of the lodge.

Beside the talks by visiting dignitaries and a musical variety program, the traditional distribution of flowers to the ladies present will follow the program. Members of Summit Temple 79, Pythian Sisters, will turn out in force to help the lodge celebrate its 70th birthday tomorrow night in the IOOF hall. The public is cordially invited to attend.

Also at last week's meeting, the Knight's voted to join the local American Legion in its Memorial Day services at the local cemetery on May 30.

Dewey Holmes Dies At Work In Nevada

Funeral services were held in Reno yesterday afternoon for Dewey P. Holmes, 51, manager of the Nevada Credit Rating Bureau who was widely known throughout this area, who died suddenly while working in his office.

Holmes was a native of Utah but had been a resident of Reno for 30 years. He is survived by his wife and daughter.

RIDING TRAILS OVER SUMMIT WIN APPROVAL

SACRAMENTO (W. N. S.)—The State Assembly yesterday approved legislation allowing the division of beaches and parks to develop the old overland Emigrant Trail across Donner Summit as part of the California riding and hiking trails project.

The lower house passed a bill which instructs the proper state official to seek donations of easements on all property of the trail. The bill is sponsored by Assemblyman Francis Lindsay of Loomis.

Lindsay said the state could probably gain title to the property by simply asking the PG&E and the federal forest service for it. These are the present owners of most of the property.

Sierra Markets Opens Branch at Homewood

Ted Riddle, manager of Sierra Markets Inc., announces that their meat market at Homewood will open Friday. The store will be in the Obexer building and will feature top quality meats both retail and wholesale at the lowest possible prices.

Bids Asked For New Section Of Truckee Highway

Half-Mile Free Way Up
For Contract On
June 15

The division of highways of the State Department of Public Works is calling for bids from contractors for building the half mile new portion of Highway 40 through east Truckee. The bids will be opened in Sacramento at 2 o'clock on June 15, according to the legal notice appearing elsewhere in the Sierra Sun today.

The new lateral extends from the intersection of Bridge Street and Commercial Row to a point on the present highway near where the Hobart Railroad crosses the road east of Truckee.

Some work has already been started on moving structures on the right of way, with Thomas Doherty and a crew of men busy on removing and relocating the Catholic Church and parish house, both of which are directly in the new route. James McIver, owner of the property occupied by Thornton's Garage, has been given notice to have the building removed within the next few weeks and other structures on the route were purchased and sold by the state.

The new road will be graded and surfaced with plant mixed surfacing on a gravel base. It will be a free-way and the right of way was stipulated at 100 feet by the state engineers.

The present route of Highway 40 will be maintained as a portion of State Highway 89 from Truckee to Sierraville, engineers said.

UNIFIED BOARD HOLDS SESSION IN TAHOE CITY

A meeting of the Tahoe Truckee Unified District board of trustees will be held tonight at Tahoe City. Routine business will be discussed and proposed sites for the school plant studied. The Truckee Public Utility District has submitted a map of the area of Highway 40 in Meadow Park which is held as one of the most desirable locations for the new plant.

Two other sites near Truckee are under consideration but state school planning authorities apparently favor the Meadow Park location over others proposed.

District Superintendent Everett J. O'Rourke will meet with the board tonight, having arrived to stay permanently in the district.

Legion Nominates, Plans Memorial Rite

Truckee Post 439, American Legion, nominated candidates for officers for next year with the election to be held Tuesday night, June 7. Also at their meeting this week the post made plans for the annual Memorial Day service here. Heslin Cardinal is chairman of the committee in charge.

After the meeting, members viewed movies of Task Force Frigid, the army cold weather tests last winter in northern Alaska. Refreshments followed the movies. Commander Frank Giovannoni presided and Ray Crandall was a guest.

Alaska Film Shown At Lions Club Meet

"Task Force Frigid", a motion picture showing army activities in Alaska and particularly Ladd Field, were shown at the meeting of the Lions Club last night at Sarge's. Earl Stice was the program chairman and Stan Martin presided. Guests were Dr. L. D. Nelson and Ralph Graham.

Truckee PTA Planning Sale at Merc May 27

The Truckee Union Parents and Teachers Association will hold its annual food and apron sale here on Friday, May 27. The sale will start at 10 a.m. and will be held at the Truckee Mercantile store.

Truckee Man Draws 250 Days in Reno Jail

Learl Dickson, 39, who gave his address as Truckee, was sentenced to 250 days in jail at Reno Monday after being found guilty on a drunk driving charge. He was unable to pay a \$250 fine.

Sun Beams

by Walter M. Barrett

Forced postponement of the barbecue which was to have preceded the opening baseball game of the season here last Sunday brought disappointment to hundreds of people but even the terrific downpour of rain and hail failed to dampen the spirits of those most vitally concerned and plans were immediately started for holding the events later. Not only did the committees in charge spend countless hours of effort, but approximately 75 Truckee housewives devoted their best efforts to the preparation of home cooked foods. Gallons of delicious beans and salads and many pounds of beautiful cakes had been prepared for the occasion but the wet grounds and rain forced cancellation or at least postponement of the affair. The committees and cooks, however, took the disappointment in their stride and all agreed that they will repeat the work when the weather agrees to cooperate. We believe that these people have earned the thanks of not only the baseball club, which would have benefited most, but also the appreciation of the entire community by proving that the women of Truckee are not only good sports but have a fine spirit of cooperation. We can show this appreciation by a 100 per cent turnout when and if the weather permits the scheduled program.

Lake Tahoe resort owners are preparing for another busy season and while most of them do not anticipate the war-time boom of vacation business, they are predicting a better than average tourist summer. All available carpenters and other craftsmen are busy with repairs, improvements and new buildings as the Lake sets a pace for other leading resort areas. The season has barely started and already nearly every resort at the lake reports reservations pouring in to back up the prediction of a good year.

The state plant quarantine station at Truckee reported substantial gains in all classes of highway traffic through here during April as compared to March. Truckee's traffic in the statewide border station system was exceeded only by Yermo's last month.

There were 18,276 cars through here in April, compared with 11,436 during March. Commercial trucks tallied 1862 last month against 1788 the month before. A total of 528 buses cleared in April and 491 in March. Passenger total for the two months was 57,076 for April and 38,577 for March.

The Stateline station on the south end of Lake Tahoe chalked up 4,493 automobiles, 145 trucks, 15 buses and 11,662 passengers last month. Peavine, the next station north of here, had 8,813 cars, 726 trucks, 178 buses and 24,957 passengers.

All figures are for non-local traffic entering California.

Pre-School Clinic to Feature Party Friday

Mrs. Earl Brown, president of the Truckee PTA, again reminds parents of the immunization and pre-school physical examinations being conducted at the grammar school Friday, May 20, starting at 10 a.m. The clinic will be under the supervision of Dr. J. H. Bernard.

There will be the annual party for the children at noon at the school. Mrs. Ray Scott, first grade room mother, is chairman.

State Officials Voice Approval Of Hospital Plan

Board Meeting Weekly
To Speed Action
For Project

Officials of the state department of public health were apparently favorably impressed with a request by the directors of the Tahoe Forest Hospital District for assistance in the building of a modern hospital plant to serve the district.

Gordon S. Cummings of San Francisco, assistant chief of the bureau of hospitals, and John Derry of the same department, met with the board and Architect George Sellon of Sacramento here last Thursday to discuss details of the proposed hospital and expressed their belief that the hospital is vitally needed.

The board meets again tonight to further plans and will consult with bond attorneys relative to the procedure required in presenting an issue to the voters of the district. It is believed by the board that an issue of a little over \$100,000 would be required to pay for a third of the cost of building the plant and maintaining for the year. There is some question as to whether or not the district will be assessed this year to meet current expenses.

It is important that the application for federal and state aid be presented as soon as possible as there are a number of applications now on file to be considered by the council. Truckee, it was announced, has a high priority because of the need for the institution here, but unless the application is made promptly a long delay in securing outside aid may result.

With this in mind the directors are meeting at frequent intervals in an effort to speed the program as much as possible.

Sellon has prepared tentative plans which must be approved by the federal-state agency. The site also must be surveyed and given final approval by the council.

Jay and Jessie Rablin Have Birthday Parties

Mrs. John Rablin entertained at two parties honoring the birthdays of her son, Jay, and daughter, Jessie, on Friday, May 13 and Monday, May 16.

Jay and guests, Clarence Dunkelbarger, Philip Ladd and Dick Loynd enjoyed a luncheon on Friday in observance of his 18th birthday which occurred Sunday, May 15.

On Monday afternoon, 12 friends of Jessie enjoyed games and refreshments. Yellow and green party appointments made the table attractive for Jessie's ninth birthday anniversary.

20-30 Club Member Travel to Convention

Truckee 20-30'ians who attended the Nevada district convention at Lovelock May 14 and 15 were Jim Leamon, George F. Kamp, Bob Sayre, John Street, Bill Knox and O. G. Alexander. Kamp was the delegate to the convention from the Truckee club.

At the Wednesday evening meeting, Frank Giovannoni and John Gracik were accepted as new members of the club. Guests at the meeting were Jim Metcalf and Heslin Cardinal of Truckee and Charles Walker of Sacramento.

Sacramento Visitor—

Mrs. Anton Mahne is visiting in Sacramento this week.

At Convention—

Mrs. William Campbell returned from Santa Cruz on Sunday where she represented the Naomi Rebekah Lodge No. 2 at a week long convention of the order.

Susanville on Sunday—

Mr. and Mrs. Ray Scott and daughters Patricia and Theo were Sunday visitors in Susanville.

Birthday—

Mrs. Roxie Archie observed her birthday on Sunday, May 15, with members of her family.

Storms In Area During Weekend Cause Damage

Public Services' Crews
Are Kept Busy By
Lightning

BULLETIN

Five inches of snow fell in Truckee this morning and for the second time within a week the state snow plows were called into service. Shortly after nine o'clock the weather moderated and the fluffy snow soon dissipated. Motor traffic was delayed only for a brief period on Donner Summit where a foot of snow was recorded.

E. E. Boehm, Truckee Forest Ranger, reports that during the past week 3.79 inches of precipitation was recorded here, 2.61 inches over normal for May, bringing the season's total to 26.24 inches. Only .28 of an inch is needed by the end of May to make this area the only one in the state with normal precipitation, Boehm said.

Aside from causing postponement of the opening baseball game and scheduled barbecue, the three day lightning storm over the weekend wrought considerable material damage throughout the area.

Frank Gaennie, district manager for the Sierra Pacific Power Company, reported that four transformers were burned out and 127 fuses replaced as the result of lightning in this immediate area. The power line to Portola was struck and burned out in two places, once near the cemetery north of Truckee and again north of Loyalton, causing an interruption of service.

The Truckee Public Utility District also suffered considerable damage to transformers, lines and fuses and crews were kept busy during the three day period. Power interruptions were frequent but not lengthy.

Telephone service was disrupted throughout the area, A. P. Leitch, district manager for the Pacific Telephone and Telegraph Company, reported. The trouble centered in the Gateway Park area where 10 or 12 telephones were put out of service when the lightning struck the cables. Several cable and repair crews from Reno and Tahoe were rushed to the area to repair the damage.

Saturday's hailstorm brought the state snow plow out when hail piled up to two inches on the highway between Truckee and Donner Lake.

The downpour last Thursday washed out several gardens and raised havoc with streets when an inch of rain fell in less than an hour.

Progress Reported in Filling Danger Spots

Tommy LaRocca, chairman of the Truckee committee on dangerous and abandoned excavations, this week reported some progress in the drive to have such holes closed or covered.

He reported at least three such holes had been covered by the Truckee Public Utility District. LaRocca says, however, there are still several around town yet to be covered. He calls attention to an act recently signed by the governor increasing the responsibility of property owners in such cases.

The committee, sponsored by the Truckee Eagles Aerie, has charted many of the excavations and is contacting the owners of the property to secure their cooperation in filling these holes.

Mrs. Johnston Feted At Shower This Week

Mrs. Robert Johnston was the honor guest at a stork shower Tuesday night at the home of Mrs. Heslin Cardinal, with Mrs. Hal Gilson and Mrs. Herb Mattheus as co-hostesses.

Also sharing the evening were Mesdames E. C. Bavler, John Street, Loren Verner, Jack Ellis, Cullen Ott, E. A. Ott, Tom Borneman, August Sassarini, Ernest Guidotti, Cecil Clepper, Stan Zwarg, Walter Perkins and P. Petroni.

Sharon Guidotti Marks Birthday With Party

Three-year-old Sharon Guidotti was given a birthday party Sunday, May 15, by her mother, Mrs. Ernest Guidotti. The young guests included Bonnie Forrest, JoAnn Bevelue, Joe and Monty Straub, Diane Cardinal, Larry Digesti, Gary Costa, Steve Besio, Tony Ilardi and Errol Kehm. Games were followed by the serving of ice cream and cake. Pink and blue predominated the decorations and favors.

Thursday, May 19, 1949

North Tahoe

by T. BURROUGHS
(subbing for Dot O'Brien)
Dorothy O'Brien decided to extend her vacation just enough so that you must bear with me again this week. Dot is having a wonderful time picking up sea shells and examining various types of marine life. She's taken her time—driving 50 miles in three hours. She'll be back next week.

LOW 12 MEETING
At the home of Chet Langenstein the Low 12 meeting of May 5 was held on the pier with a weiner roast following. Those present were Ike Miles, Nate Sexton, George Reiner, W. C. Benjamin, Clare Walters, Don Barkhurst, Ivan Parr, Howard Royston, Gil Ballard, Tom Lucas, Peter Svendsen, J. C. Anderson, Snowden Burch, Henry Lucas, Bert King and Mrs. Joe King.

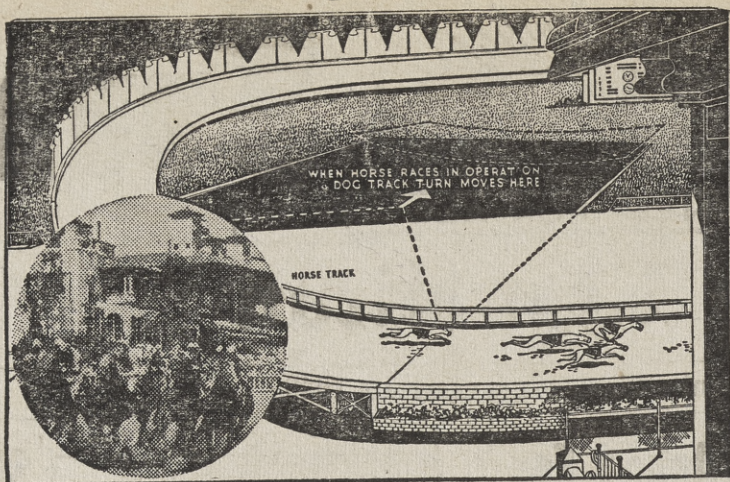

TAHOE CHAMBER
Regular meeting of the board of directors of the Lake Tahoe Chamber of Commerce will be held Thursday evening, May 19, at 8 o'clock at the home of Fred Cunningham at Home-wood. Fred Perley, secretary-manager, announces that the ad-

vertising booklets will soon go to press and distribution will follow immediately.

BIG PICNIC
The new organization—a merger of the North Tahoe Sports Club and the Community Club—plans to break the record for North Tahoe entertainment at its first annual spring picnic. There will be a fish fry of no small importance. Tickets will go on sale soon at most of the business places in Kings Beach. A quarter acre home site in beautiful Tahoe Estates will be given away. This home site was donated by Tahoe Estates owners for the benefit of our much talked of Youth Center. We owe a vote of thanks to the owners of Tahoe Estates as well as to the hard working board of directors, conscientiously trying to execute plans for the quick installation of this proposed Youth Center in Kings Beach. Your tickets will cost you only a dollar each.

WEE KIRK O' THE PINES
Church School at 10 Sunday morning and Sunday Worship at 11 a.m. at Carpenters Hall on Deer Street, Kings Beach. Sunday, May 22, services will be conducted by Eugene Ridsen of Truckee; topic: The Master's

Two Racing Plants In One

Under a novel construction plan which permits one track to cross the other, the Agua Caliente Race Track in Mexico is able to present both horse and dog racing on the same day. Portable end sections of the dog track are moved in and out to accommodate whichever sport is in operation as can be seen in the artist's sketch.

Message of Salvation and Service. The children of the Church School are working on a special program for Children's Day on June 12. A special invitation is extended to all parents.

Bible study class met at the home of Mrs. P. R. Murray on Tuesday afternoon, May 17.

Due to heavy rains which fell last Saturday, work on the building being moved from Reno to Kings Beach had to be abandoned for the present. Just when operations on this project will be resumed is not certain. Those wishing information please call Brockway 103 or 2221.

WOMEN'S CLUB
The North Tahoe Women's Club on the evening of Thursday, May 26, will enjoy an entertainment which is designed to create a lot of fun. All members are urged to attend and bring a lady friend with them.

DON'T FORGET POPPY SALE
North Tahoe will be the scene of many poppies for sale on May 27 and 28. The sale is being sponsored by Lake Tahoe Post 7907, Veterans of Foreign Wars, for the benefit of disabled war veterans.

SQUARE DANCING
A talk with Mildred Beasley confirms Monty's interest in the good old art of square dancing. While down south last winter they joined the Hoedowners' Club at Long Beach and became so interested that three other square dance clubs claimed them as members. When their interest reached high pitch Monty purchased records of professional callers, a phonograph and amplifier. They had such a lot of fun that now it is their wish to create an interest in the revival of this entertaining art in our community. These beautiful old

dances are enjoying a comeback in many parts of our country and provide good clean fun for your evenings with the Beasleys. Mildred says it is a fine way to lose track of your troubles. A group met at the Beasley home Monday evening to discuss the possibility of interesting a group of the locals in classes. Those present were Peg and Tex Jones, Bert and Gil Ballard, Ollie McGill, Mr. and Mrs. Mel Miller and Mr. and Mrs. Burch Butters of Long Beach.

BROCKWAY ROTARY
The weekly meeting of the provisional Rotary Club of Brockway was held Monday at noon at the Gables with Chet Langenstein presiding. Ket Ketman of the North Tahoe Rotary was present to help, in necessary, this being part of the requirements of a sponsoring club. Langenstein read the aims and objects of Rotary for the benefit of new members. The first guest of the new club was Tom Sheehan, who was introduced by Dick Lavery, club member.

Don Bowman, on the most enthusiastic members, was absent attending the district conference at Elko, Nevada.

BENEFIT SHOW
The Tahoe Sierra branch of the American Association of University Women gave a benefit show at a Kings Beach theater Tuesday night to swell their scholarship fund. This fund is to assist worthy students in the Tahoe and Truckee area who plan to attend college this fall. Any local high school student is eligible to take the test for the award. The application must be in as soon as possible as the tests will be given before the close of the school term. Application blanks may be obtained at

the Truckee or Tahoe City high schools.

BITS HERE AND THERE
Ruby and John Clackett with their new youngster will return to their home in Tahoe Vista this weekend where they will remain for the summer.

George and Mae Meisenheimer quietly celebrated their 22nd wedding anniversary at home on May 14, enjoying a nice lake trout dinner and with Orlan and Alice Sanders as guests. Congratulations.

Mr. and Mrs. William Fries of Lovelock, Nevada, have leased one of the Meisenheimer cabins for a year. Mrs. Fries is a nurse in the employ of Dr. John Keys. Gene and Frances Thompkins have decided to name that fine young lad of theirs Andrew.

The North Tahoe Gun Club is still looking for suitable target terrain.

Engineers employed by the utility district will be up May 24 to drill test holes and back again on the 26th to report findings and render estimates on the cost of a vitally necessary project—our sewage disposal system.

Bev and Peg Brooks are at home to stay. North Tahoe is such a nice place to come back to.

Nice to see Dorothy Ketman flying around here again. We know she had a wonderful time globe trotting. Welcome home.

Ruth Cochran is en route to Sun Valley by car. Having a fine trip we all hope.

Honeymooning at Nelson's Cottages are Mr. and Mrs. H. C. Weiherdy of Redwood City. To Peg's delight and surprise she learned that the parents of the bride spent their 20th wedding anniversary at Nelson's Cottages several years ago.

Dick and Connie Shelley were good enough to let me look over their guest book which I found most revealing. You'd be surprised at all those names of successful fishermen (others do not sign) that go out from the Shelleys' pier. I'd like to name them but that list is too long. Be sure to register your catch with Mr. or Mrs. Shelley. They make pictures and send you the best one. Their son, Dick, and Ray Sorenson have made some good catches, 19 trout on three times out. Ed Starr has brought in some nice ones too.

And did you see that one Ernie Crawford brought in? He said it weighed 10½ pounds but it had just swallowed a pound dinner in the form of a young trout.

The softball association met on Wednesday of last week instead of the announced Friday at Hunter's Lodge in Carson City. Our boys missed the meeting. The program schedule is to be announced later.

Peg and Tex Jones are adding a couple of sleeping units to their court.

It's nice to see Nina Sorenson out and about again. She hasn't been quite up to par physically of late.

Gil Ballard flew to Seattle last week. How that man gets around! Reason for the flying trip was undisclosed but Gil reports that fishing is good.

Prospective Mothers Disabled Say Solons

SACRAMENTO —(W. N. S.)—Pregnancy has become a disabling injury in the eyes of California's 80 assemblymen. The lower house this week approved a bill which allows prospective mothers six weeks disability insurance payments when forced to leave employment due to pregnancy.

The bill is sponsored by Assemblyman Robert Condon of Contra Costa County.

Harris Legg, Skate Ace, To Be Featured During 1949 Ice Follies

One of the perennial favorites returning with the Shipstads and Johnson Ice Follies of 1949 will be gravity-defying Harris Legg, he of the long racing blades and the incredible leaps over obstacles on the ice.

The face ice show opens at San Francisco's Winterland on June 8.

In this 13th annual San Francisco summer engagement of the famous musical ice revue, Legg portrays a dashing buccaneer in the fanciful Pirates Plunder production sequence.

He also teams with his pretty and petite wife, Phyllis, in a stilt skating number in the gay Coney Island sequence of the two-and-one-half-hour show.

Tickets for all performances of Ice Follies of 1949 are now on sale at Winterland and Sherman Clay box offices in San Francisco and Oakland.

Pheasant Hunt Rules Pass Legislators

SACRAMENTO —(W. N. S.)—Legislation prohibiting pheasant hunters from plucking their kill in the field so that its sex cannot be determined by game wardens passed the state assembly last week. Assemblyman Arthur Coats of Yuba City is author of the bill.

The assembly also passed a

bill requiring hunters to purchase tags for each pheasant killed during the season. A \$1 fee will cover the cost of ten tags, the legal number of birds that can be taken in one season. The bill is sponsored by Assemblyman Everett Burkhalter of Los Angeles.

Words were not separated by spaces in early forms of writing, according to the Encyclopedia Britannica.

Tahoe Letter

FROM SWANEE

Tahoe, May 16

Dear Tahoeites:

It's Monday again and the weather remains cloudy. We have had lightning, thunder, rain, hail and fog throughout the week but W. A. Simmonds, Tahoe gate tender, declared this morning that precipitation to date is still below normal.

Had a big surprise on Sunday

when I received a phone call from an old time Tahoe summer resident, Mrs. Mabel Bear, who now resides in San Mateo. She was a member of a party which had just returned from Chicago in a car driven by her grandson David Farmer. Others were Mrs. Bear's daughter, Mrs. Mabel Farmer and the latter's daughter Miss Virginia Farmer. Mrs. Farmer and Mrs. Bear attended the White Shrine convention of the Eastern Star and David, whose nom-de-plume is David Reed, sold

a number of manuscripts and plays while in the east. This versatile young man, who spent all of his early summer at the lakeside home of his uncle, John T. Clark, who erected Guth-A-Wing in the Sunnyside district, not only writes scripts for radio and television but also directs the Santa Monica Theater Guild. They could not forego a visit to Tahoe on Sunday before continuing on to their homes in San Mateo. We dashed down for a hasty visit with them as they ate lunch and found them surprised and pleased at the modern changes which have taken place since their last visit some ten years ago.

Loren Holmwood, internationally famous portrait artist, arrived on Tuesday evening for a two-day visit at the Imon Mitchell home in Sunnyside. He came for a brief inspection tour of his property up Ward Creek. Following completion of business at Modesto he will leave for a visit in Hawaii.

Paul Avery and David Fritsch, both from Hollywood, have taken an apartment at the home of Constable Harry Johnson in town. They are in charge of operations at Squaw Valley where work is starting on the erection of the new giant ski-lift and skiing resort being erected by the Squaw Valley Development Company. They are now getting equipment ready and surveying and the task of bringing in sections of the all steel tower and lift will soon be under way.

Dr. John Keys of Tahoe Vista has closed his office in the circle in Tahoe City because he could not spare the time to occupy it. His new clinic at Tahoe Vista is being rushed to completion for summer service and Tahoe patients may contact him there afterwards. Dr. Keys plans, among other things, to erect a stone sea wall in front of the building to keep the lake waters from washing underneath the building—quite an expensive little item all by itself.

Am happy to report my neighbor, Mrs. Raymond Lewis of Grove Street, is much improved at this writing. She has been quite ill and under the doctor's

care for the past week or more. Their two little daughters, Cassie and Karen, are enjoying a two-weeks vacation at the ranch home of their maternal grandmother, Mrs. Eula Rosenberg, near Exeter. Mrs. Rosenberg and her son Harry visited briefly with the Lewises on Thursday and Friday of last week.

Mrs. Bliss Hinkle left Tahoe on Monday afternoon for San Francisco where she will undergo a medical checkup. She received treatment at a Reno hospital last week when taken suddenly ill here. The duration of her bay area visit is indefinite.

This week brings word of the recent deaths of two former Tahoeites. One was Prof. Earl F. Walker, who was assistant professor of chemistry at Santa Barbara College. He passed away at his home in that city on May 2. Magnolia Lodge 242, F&AM, of which he was a member, conducted services and graveside rites in Santa Barbara cemetery.

He was a 32nd degree Mason and a member of Scottish Rite. He had been on the faculty of Santa Barbara College since 1922 and was previously on the faculties at Cotner University, Bethany, Neb.; Kansas Wesleyan University and Washington State College. He held an AB degree from Nebraska Wesleyan University, PhD in pharmacy from University of Nebraska and an MA from the same institution. He did additional graduate work at Stanford, University of California and University of Chicago. Surviving are his widow, Mrs. Ruth S. Walker, and a brother, Dr. A. B. Walker of Lincoln, Neb. The Walkers have been summer residents of Timberland Tract, spending their vacations at their attractive summer cottage.

On Saturday, May 14, Charles Thomas Walker of Woodland passed away following an extended period of illness. Tom was the father of Mrs. Mazie Carnell of Tahoe City, John Walker of Woodland, Mrs. Marcella Watson of Arizona, Mrs. Gertrude Roberts of Sacramento and Miss Patricia Walker of Woodland. Also surviving are four sisters, a half brother John Russi of Sacramento and a brother, Franklin Eugene Walker of Woodlake.

The latter was formerly a highway patrolman at Tahoe and is well known here. He is at present teaching at Exeter elementary school. Mr. and Mrs. Dick Carnell and young son John recently visited at the bedside of her father in Woodland Clinic and found him failing fast. His passing was not expected. Requiem Mass was held for him at the Church of Our Lady of the Holy Rosary on Monday evening, with funeral arrangements unannounced here at this writing. Old timers will remember the Franklin Walker ranch up Blackwood Creek which in earlier days was a prosperous cattle ranch and rendezvous for fishermen and hunters. The elder Walker passed away about 17 years ago and his wife followed him some three years later.

The sincere sympathy of the Tahoe townsfolk is extended to members of both bereaved families.

Will close this week on a reminder to local residents to vote at Tahoe Lake School on May 20 if interested in the 25 per cent tax raise being requested by the Placer high school and college for improvements at the Auburn plant. Tahoe residents may vote in favor of the tax increase but will never have to pay a cent of the new tax since the Tahoe district will be placed in the new unified school district before tax paying time rolls around.

Adios for the week and good luck, all, as ever, Swanee.

Truck Wrecked on Grade, Traffic Is Slowed Up

TAHOE—Constable Harry Johnson of Tahoe was called to the scene of an accident at 9:45 Sunday morning. Frank Dominic Sullivan of San Francisco, driving his truck at Hogpen Hill curve on the wet pavement told the officer his brakes locked as he swerved to avoid hitting another car. He skidded, turned around on the highway and turned over. Traffic was confined to one-way passage for 2½ hours.

The driver escaped with only leg scratches and bruises and Thornton's Garage towed the truck away, a sprung frame making it undrivable. The driver whose car caused the difficulty did not stop.

Nevada Postmasters at Tahoe Are Confirmed

The U. S. Senate this week confirmed the nominations for postmasterships for Vera L. Woods at Crystal Bay and Gloria B. Wylie at Zephyr Cove. Both communities are on the Nevada side of Lake Tahoe.

Only the male nightingale sings.

State's Fish and Game to Plant Kokanee For Fishing in Tahoe

TAHOE—The California Fish and Game Commission has given the go ahead signal for plans of the Bureau of Fish Conservation to stock Lake Tahoe with kokanee—the land-locked salmon that has provided excellent fishing in Donner and Strawberry Lakes.

The result is expected to be improved spring and fall fishing in the resort-circled lake, now the home of large mackinaw trout.

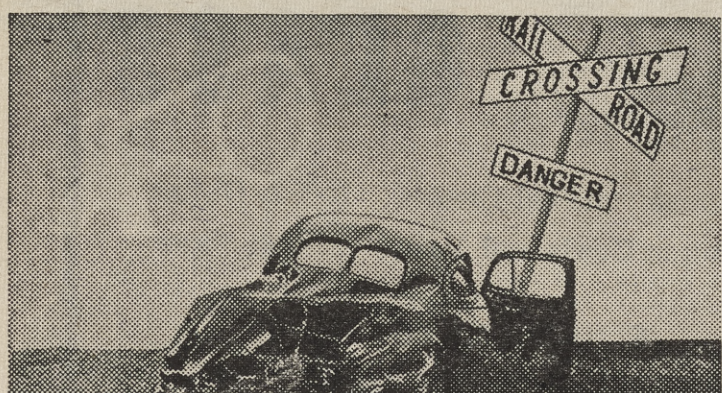

At their last meeting commissioners approved the importation of 750,000 kokanee eggs annually for the next four years from the State of Idaho. The fish will be raised at the two Division of Fish and Game hatcheries at Lake Tahoe and possibly the State of Nevada hatchery at Verdi.

1.75 Inches Precipitation Recorded Last Week

TAHOE—The lake level on Monday stood at 6225.10 with no water leaving the Tahoe gates. Precipitation for the past week measured 1.75 inches. Coldest day of the week was on the 10th with 31 degrees and warmest was the 11th with 67. Lightning, thunder, rain, hail and fog visited the Tahoe region throughout the past week with cloudy skies still prevailing.

Playground Equipment

TAHOE—Mrs. Myrtle Gallinger this week reveals that additional playground equipment has been ordered for Tahoe Lake grammar school. Soon to arrive are more swings, slides, horizontal bars, climbing structures and merry go rounds. The movable goals for the basketball court have already arrived and will be installed in the coming week.

MAKE SAFETY A HABIT

Racing trains to crossings, trying to outguess traffic lights, and speeding in traffic, result in thousands of deaths every year. Don't take chances like this. Make safety a habit and live longer.

Be Careful—the life you save may be your own!

Brockway Group Asks For Charter From Rotary International

KINGS BEACH—At a meeting held on the evening of May 10 at The Gables in Kings Beach of 20 business and professional men, steps were taken for the organization of the Rotary Club of Brockway. Meeting with Mulford Miles, representative of Link Peckinpaugh, Cal-Vada District No. 164 governor for Rotary International, assisted by Clarence

Byrd and Walter Fisher of the Reno club, Ed McDonald of the Sparks Club and Dick Boyce and Ken Steddom of the North Tahoe club, the men voted to apply for a charter in Rotary International thus adding this community to more than 65,000 others in 80 countries where Rotary has come to play a leading role in the progress of the community.

Temporary officers selected were Chet Langenstein, president; Tom Lucas, vice president;

E. J. Stokes, secretary; Tom Sutton, treasurer; Andy Sorenson, H. E. Brooks and Gil Ballard, directors. Others present for the session were Don Barkhurst, Don Bowman, Rube Welch, Ed Starr, Bill Bates, Bill Randall, Claire Walters, Dick Lavery, Earl Nelson, Marion Dodd, Sam Faulkner, Dr. John Keys and Bud Mandeville.

There are Rotary clubs in Tahoe City, Truckee, Carson City, Reno, Sparks and Minden as well

as other cities throughout the two adjoining states and it is expected the new club will have numerous visiting Rotarians at its meetings.

The Rotary Club of Brockway will hold its regular weekly meetings in Kings Beach at 12:10 p.m. Mondays. As soon as it has been formally admitted to membership in Rotary International, its charter will be delivered by the district governor at a special meeting which will be attended by Rotarians from many of the clubs in this and other Rotary districts.

Mrs. Mattheus Honoree At Pink, Blue Shower

CARNELIAN BAY—On Tuesday, May 17, Mrs. Carl Zinsmeister entertained with a pink and blue shower in honor of Mrs. Herb Mattheus of Tahoe City. Beside the honoree, the following were invited:

Mrs. Carl Becholdt Sr. of Tahoe City, Mrs. Wm. Beers and Mrs. Vera L. Woods of Crystal Bay, Mrs. Chas. E. Benedict, Mrs. Ray Fellows, Mrs. Emily Cribbs and her houseguest from Evanston, Illinois, Mrs. Louise Mattheus Martin, Mrs. Elston Garrow, Mrs. Harold Gilson of Truckee, Mrs. Charles Hall, Mrs. Robert Johnston of Truckee, Mrs. Chet Langenstein and her house guest from Vancouver, B.C., Mrs. Lorraine Fitzpatrick, Mrs. George Reiners, Mrs. J. C. Robertson and the hostess.

Prizes were given for a clever Mother-Baby guessing contest. Delicious refreshments were served and Mrs. Mattheus was the recipient of many lovely gifts.

South Tahoe Property Owners Incorporate

SACRAMENTO —(W. N. S.)—Articles of incorporation have been filed here with Secretary of State Frank M. Jordan by the Al Tahoe Property Owners Association of Al Tahoe, Lake Tahoe. The new corporation, a non-profit organization, will promote the welfare of residents of the Al Tahoe area.

Directors are Bert Gordon, Stockton; George W. Coe, Robert B. Hunn and Dorothy E. Brown, all of Sacramento; Mrs. Richard Codman, Fair Oaks; George W. Ross, San Francisco; and Carl T. Byrd, Leslie R. Stratton and Lee Mille, all of Al Tahoe.

Between 4 and 8 per cent of the population is left handed.

Mother of Donner Lake Woman Guest at Tea Of Nation's First Lady

Mrs. Anna Mary Robertson (Grandma) Moses, 88 years old mother of Mrs. Winona Fisher of Donner Lake, was one of six guests at a tea given on Sunday, May 15, by Mrs. Harry S. Truman in Washington, D.C. This followed the presentation of awards by President Truman at a dinner and stunt show on May 14 in behalf of the Women's National Press Club for the outstanding contributions to contemporary thought and achievement during 1948.

Mrs. Moses shared the event with Mrs. Franklin D. Roosevelt, Madeline Carroll; Mrs. Dorothy McCullough Lee, mayor of Portland, Ore.; Mary Jane Ward, author of The Snake Pit and Marjorie Child Husted, home economist.

Mrs. Moses was honored on the basis of her fame as one of the most popular and original painters of 1948. She took up painting only 12 years ago at the age of 76, portraying typical country scenes without having had earlier studied art.

Truckee Traffic Crash Basis of Court Action

A \$10,803.07 damage suit has been filed in the Nevada County superior court by Frank Bassett of Sacramento against Harry Leon Miller of Modesto as the result of an auto accident on Highway 40 less than a mile east of Truckee last summer.

Bassett has charged in the complaint the accident was caused by Miller's carelessness when the latter forced the Bassett car off the highway, causing it to crash into a ditch.

State Joins U.S., Seeks Taxes from Remmer

California last week filed a lien against Elmer (Bones) Remmer for \$86,999.24 in back income taxes and penalties. The action paralleled a federal claim on Remmer and his wife for income taxes totaling \$867,373.52 filed last March.

Both the state and federal claims cover a period from 1941 to 1946.

Chambers Back—Dave Chambers has returned to his resort at Lake Tahoe after wintering at Santa Barbara.

Tahoe Truckee School District Is Mapped

The Tahoe Truckee Unified School District has been completely and accurately mapped as part of a two year program to similarly chart all school districts of Placer County.

The project is under the direction of Albert Bequette, superintendent of schools as Assessor

Lou Mohan.

The local district is one of seven already mapped. Each district will receive a copy as the maps are completed. A large map showing all school districts is also being made.

At present, very few districts have an accurate detail map of their boundaries, Bequette says.

SALE OF TIMBER

Approximately 3,798,000 board feet, 26 inches and above in diameter at breast height, just north of Donner Lake near U. S. Highway 40 and described as follows: $W\frac{1}{2}$, $S\frac{1}{2}SE\frac{1}{4}$, $S\frac{1}{2}NW\frac{1}{4}SE\frac{1}{4}$, $NE\frac{1}{4}NW\frac{1}{4}SE\frac{1}{4}$ of Section 11, Township 17 North and Range 15 East, containing approximately 440 acres of which approximately 248 acres are in timber.

A cruise estimate of the timber shows the following approximate net board foot volumes: Jeffrey pine, 2,536,000; white fir, 1,092,000; incense cedar, 125,000; and red fir, 45,000, or a total of 3,798,000. The following deductions were made from the gross sale: Jeffrey pine, 10%; white fir, 20%; incense cedar, 30%; and red fir, 15%.

The minimum acceptable stumpage rate per thousand board feet is \$8.50, or a total minimum sale price of \$32,283.00.

Sealed bids will be accepted until May 23rd at 10:00 a.m. at Devlin & Devlin & Diepenbrock, 1212 California State Life Building, Sacramento 14, California, where they will be opened in the presence of those bidders who may attend. Bids must be accompanied with a ten percent deposit. Personal checks are not acceptable. The ten percent deposits of unsuccessful bidders will be returned after the award is made. The ten percent deposit of the successful bidder will hold the timber for one year from the date of the award; an additional ten percent deposit at the end of the first year will hold the timber for an additional two years, but the sale must be completed within three years from the date of the award.

The successful bidder will be required to furnish a performance bond in an amount equal to ten per cent of the total sale price and sign a timber sale agreement. The performance bond may be cash or a corporate surety bond and is required to insure the carrying out of the terms of the timber sale agreement. It will be returned when the sale is completed.

Mr. Myron S. Wall Jr., Consulting Forester, 4612 Fegan Way, Sacramento, California, has been appointed agent to handle all phases of the timber sale. Copies of the timber sale agreement may be procured from him; also, the cruise, which was made by him, may be viewed at his home in Sacramento by appointment.

A copy of this timber advertisement will constitute a part of the timber sale agreement which the successful bidder will be required to sign. The right is reserved to reject any or all bids. The owners will consider offers to buy the timber for cash at a discount under above minimum installment prices.

Notice of Intention to Engage in the Sale of Alcoholic Beverages

May 16, 1949

To whom it may concern:
Notice is hereby given that fifteen days after the date posted, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Bacchi Inn, Hwy 89 at Lake Forest, Placer County

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for these premises as follows:

On Sale Beer and Wine, Seasonal.

On Sale Distilled Spirits, Seasonal.

Anyone desiring to protest the issuance of such license (s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages.

SARA B. HUNTER

GazosSkiers Bid Farewell to Donner Summit for Season; Seek Summer Ski Grounds, Peaks to Conquer

by KLISTER

Saw Slim Mabery a couple days ago. After a successful winter of teaching in the Klein Ski School and entertaining the folks at Ski Inn Lodge at Norden, he was heading for Lassen National Park where he will spend the summer as a park ranger—and doing some more skiing. With his car loaded with ski equipment, his remarks were, "We ain't through skiing yet." When asked what he meant by "we" he countered, "Ain't you never heard of the GazosSki Club?" Well, of course I've heard of them and seen their splendid skiing movies too so I became interested and lingered to chin awhile.

Slim, as outing chairman, seems to have big things planned for the club this summer. But first let us learn a little more about the club itself.

In June 1947 Slim took a large group of his pupils into Lassen National Park for two weeks of skiing, camping and mountaineering. During their stay there they made a movie called "Summer Skiing at Mt. Lassen", skied a couple of days for a movie producer and amazed the park rangers by climbing the Peak six times in one week. When it was time to leave the park everyone had had such a wonderful time that it was decided they should make this an annual affair.

Discussions began, elections were held and a new club was born. Slim was made president with Chris Broadwell of Hayward as secretary and his sister Jeannine the treasurer. On the board of directors were Bill Bueerman, one of the bay area's most graceful skiers; Alice Smith of Oakland; Barbara Rogers of Berkeley, their ski model; Bill Stewart and Don Huber of San Francisco.

The purpose of the club is to promote skiing trips into other

areas after the snow has gone on the Donner Summit and to promote good will in all areas they visit. For example, the chief ranger at Lassen was so impressed with the conduct of this group during their first outing that three of the members—Slim, Bill Bueerman and Chris Broadwell—were asked to remain there as park service employees. Jeannine Broadwell returned to the park to teach folk dancing without charge and "just to promote good will". With assistance from Slim and her brother, she did such a good job that the present chief ranger, John Rutter, wrote in his report that never before had there been such good relationship enjoyed between the park company and park service personnel. Don Hummel, president of the Lassen Park Company, stated in an address to a joint meeting of park service and company officers and employees that the efforts put forth by the GazosSki Club had contributed largely toward creating the highest standards of good fellowship that he had witnessed during his many years of experience in Lassen National Park.

The club has limited itself to 20 members and to become a part of it one must be of clean living and understanding character, show a keen interest in outdoor life, be recommended by two members in good standing and accepted by a unanimous vote of the membership. Their by-laws state that there shall be no alcoholic beverages, including beer and wine, consumed, kept or transported by any person while attending a function sponsored by the club.

Their latest movie, "Ten Days in Ski School", was filmed on the Donner Summit and is expected to premiere in the bay region in June. Slim promises

that it will be shown in Truckee early in the fall and says that the club does most of its skiing in the Donner Summit area.

"After all," he says, "Highway Forty still leads all California for good winter skiing."

We wish lots of success to this club during its coming two weeks outing at Mt. Lassen, in its climb to the top of Mt. Shasta on skis and its proposed rock climbing venture in the Sierra Buttes. These trips are to be recorded in Kodachrome movies and we are looking forward to seeing them come fall. And so, from Truckee we offer a fond "Ski Heil" to Slim Mabery and his group of GazosSkiers.

Buy Lake Forest Property
LAKE FOREST—The Wiley Jones home in Lake Forest has been purchased by his cousin, Mrs. Parley Banard and her husband who arrived over the weekend for an indefinite sojourn at the lake. The property is often identified by the former Turnage home.

Huff Home in Near Miss In Lightning Storm

The severe electrical storm which visited northern California last weekend struck dangerously close to the winter home of C. Don Huff just north of Woodland. A pine tree about 15 feet from the house was hit and a small fire was started by lightning but was extinguished before doing any damage.

Huff is the owner of Homewood Hotel at Lake Tahoe, where he spends the summer months.

Can Limit Road Speeds
SACRAMENTO —(W. N. S.)—Governor Earl Warren has signed Assemblyman Frank Luckel's bill authorizing boards of supervisors to fix speed limits under 55 miles an hour on county highways.

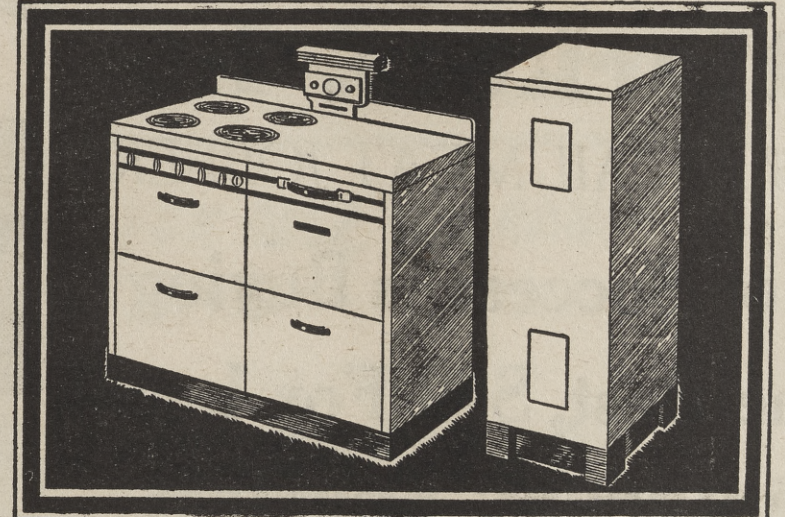

Coffee was considered an intoxicating beverage by early Mohammedan priests.

LIKE PEPPER AND SALT

they belong together in the kitchen

ELECTRIC RANGE and WATER HEATER

If you are buying an automatic electric range for your kitchen read this advertisement carefully.

You expect a modern electric range to take charge of cooking and to produce cooking results better, easier, simpler and in the same economical way other electrical servants work for you in your home.

That is what an electric range will do. Thousands of California women who cook electrically have found this out.

However you may not give much thought to the automatic electric water heater. That IS a mistake. The electric water heater is a true companion to the modern electric range. They belong together in the kitchen. When you buy BOTH the electric range and the electric water heater monthly payments are only slightly higher. Most important of all is that when you add the electric water heater it operates on the very lowest electric rate.

"Summerize" your kitchen with an electric range and water heater. They are daily helpmates you would never part with, once you use them.

WSCS of Kings Beach Holds Mission Studies

KINGS BEACH—The work meeting of the WSCS was held Tuesday afternoon, May 10, at the home of Mrs. Mary Abbott. This was an all day meeting with a pot-luck lunch at noon. Mrs. Mosier read a missionary study from the book "On Our Own Doorstep." The subject studied at this meeting was Hawaii. The next lesson will be on Alaska.

This missionary study is very interesting and the members enjoy listening to Mrs. Mosier as they work on quilts.

On the afternoon of May 24, the Society will meet at the home of Mrs. Mosier at Veron Villa. Plans are being made to have a special speaker and installation of new officers. The ladies of the Community Methodist Church at Truckee are also invited to attend this meeting.

Dreams are rare among individuals past 65, according to the Encyclopedia Britannica.

Kilners Back
HOMEWOOD—Mr. and Mrs. Fred Kilner have returned to their home at Homewood after having wintered at Laguna Beach. They recently returned from a month tour of the east, going as far as Florida. A new business building was erected on their Laguna Beach property this winter.

Visits Daughter
 Mrs. Bessie Jones of Susanville recently visited at the home of her daughter, Mrs. Florence Slade of Sunnyside.

STATE OF CALIFORNIA DEPARTMENT OF PUBLIC WORKS, DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p.m. on June 15, 1949, at which time they will be publicly opened and read in the Assembly Room of said building, for constructing State Highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada County, in Truckee, between intersection of Commercial Row with Bridge Street and 1/2 mile east (III-Nev-38-A), about five-tenths (0.5) mile in length to be graded and surfaced with plant mixed surfacing on gravel base.

Bids are required for the entire work described herein.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Classification	Per Hour
Apprentice (oiler, fireman or watchman)	\$1.775
Asphalt plant engineer	2.225
Blaster - powderman	1.775
Bootman	1.70
Boxman or mixer box operator (concrete or asphalt plant)	1.925
Carpenter	1.215
Cement finisher (journeyman)	2.15
Concrete mixer operator (up to one yard)	1.875
Concrete mixer operator (over one yard)	2.175
Fireman in hot plant	1.875
Flagman	1.425
Laborer	1.425
Operator of jackhammers - vibrators and all air, gas and electric tools	1.65
Operator of power shovel and/or other excavating equipment with shovel-type controls (up to and including one yard)	2.375
Operator of power shovel and/or other excavating equipment with shovel-type controls (over one yard)	2.525
Painter (brush)	2.00
Painter (spray)	2.25
Power grader operator (power planer, motor patrol or any type power blade)	2.375
Reinforced steel worker	2.15
Roller operator	2.225
Spreading machine operator	2.225
Tractor operator	2.225
Truck driver (18 cubic yards water level capacity or more)	1.9875
Truck driver (14 cubic yards and less than 18 cubic yards water level capacity)	1.8625
Truck driver (8 cubic yards and less than 14 cubic yards water level capacity)	1.80
Truck driver (4 cubic yards and less than 8 cubic yards water level capacity)	1.6125
Truck driver (less than 4 cubic yards water level capacity)	1.525
Any classification omitted herein not less than	1.425
Overtime - one and one-half (1 1/2) times the above rates.	
Sundays and holidays - one and one-half (1 1/2) times the above rates.	

Plans may be seen, and forms of proposal, bonds, contract, and specifications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California, and they may be seen at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions).

The Department of Public Works reserves the right to reject any or all bids.

 State Highway Engineer
 Dated May 20, 1949

Tahoe Lake PTA Elects, Has Food Sale and Plans for June Carnival

TAHOE—New officers of the Tahoe Lake Parents and Teachers Association were elected at a recent meeting held in Tahoe Lake School. Mrs. C. A. Johnson, first president of the group, was reelected to serve for another term. Her staff consists of Mrs. R. S. Clark, first vice president; Mrs. Myrtle Gallinger, second vice president; Mrs. Marion Stuart, secretary; Mrs. Tom Sheehan, treasurer; Mrs. Harold Stark, historian; Mrs. Martin Spitsen, auditor and Mrs. Robert Hatch, parliamentarian. Committees will be appointed by the president.

One of the association's first projects for the season is the collection of favorite recipes from the members and other women of the Tahoe area, the lot to be printed in a booklet and sold for a nominal sum later in the summer. Mrs. Jean Henry is chairman of the recipe collection.

The food sale sponsored by ladies of the Tahoe Lake PTA held on Saturday morning at Atherton's Store was a decided success, netting approximately \$30 for the group's child welfare fund. In charge of the sale were Mrs. A. F. Sanford, Mrs. Ed Moore and Mrs. Ila Martin.

A special committee meeting was held Wednesday night, May 11, at the home of Mrs. Tom Sheehan at Lake Forest, attended by Mesdames A. F. Sanford, Ila Martin, Chester Johnson, Lenora Bartell and Ivan Wilson. Plans were laid for a PTA Carnival to be held at 6 p.m. June 10 at the school. Mrs. Johnson will serve as overseer of the affair and has appointed to assist her Mrs. Robert Hatch, white elephant table; Mrs. William Jenkinson, fish pond; and Mrs. Lenora Bartell, publicity. The carnival will feature food concession, movies, entertainment program and the sale of candy, soda pop, popcorn balls, hot dogs and coffee. The proceeds will be added to the child welfare fund of the association.

Anyone wishing information may call Mrs. Johnson at Tahoe City 7395 and anyone wishing to donate "white elephants" or articles for the fishpond may leave them with Mrs. Gallinger at school. All donations are welcome.

FLORISTON by C. A. FELESINA

FLORISTON—Johnny Hartwick, 16-year-old son of Mr. and Mrs. John Hartwick, was the proud winner of third place in the bare-back bronc riding event at the Yerington, Nevada, rodeo over the weekend.

Mr. and Mrs. Louis LeVine of Los Angeles are spending their vacation with their daughter and son-in-law, Mr. and Mrs. Byron Miller.

Miss Bebe Hebert of Los Angeles was a weekend visitor at the Lester Felesina home.

More than a pint of water per day is exhaled in the breath.

TAHOE ITEMS

Mr. and Mrs. D. M. Brodehl of Lodi were recent visitors at the home of their son-in-law and daughter, Mr. and Mrs. Milton J. Shontz of Tahoe.

Tahoe veterans are again reminded to file tax exemption claims on May 26 at Tahoe Novelty Shop in Tahoe City and the Tahoe Sportsman, Kings Beach, on May 27.

Mrs. Truman Sunkel was hostess at a social evening last Friday night at Tahoe Pine Lodge. Guests enjoyed an evening of fun and tasty refreshments.

Down for a bit of Tahoe fishing were the Gordon Hooleys of Sugar Bowl.

Mrs. Annie Soll spent several days visiting at the home of her son-in-law and daughter, Mr. and Mrs. Louis Gerkin of Sacramento.

Mr. and Mrs. Douglas Smith and children have returned to their Tahoe City home for the season, having spent the winter at Auburn.

Mr. and Mrs. C. A. Johnson and children spent the weekend visiting friends and relatives in Yuba City.

Mr. and Mrs. Louis Gerkin of Sacramento enjoyed the weekend at the Tahoe Pines home of her parents the Henry Solls. Gerkin has completely recovered from his recent serious operation in a Sacramento hospital.

Mr. and Mrs. Phil Geier, who have been in Alhambra for several months, have written of their return to Tahoe the latter part of this week.

Work Is Commence on Expanding Facilities at Tahoe Post Office

TAHOE—Contractor Martin Spitsen of Tahoe City on Monday moved a crew of his men into the library at the Tahoe Community Center building and began the task of dismantling the walls dividing it from the Tahoe post office. Word was received by Acting Postmaster Oliver Corona from Washington, D.C. that approval had been given by the government for the enlarging of the Tahoe post office which is now second class and badly in need of additional operating space. It also approved a raise in the yearly rental to the trustees of the center who ordered the work started at once.

The new addition will add approximately 500 square feet to the post office and permits installation of 215 new lock boxes which have been on hand for some time. Proposed changes will include enlargement of the parcel post and stamp window, a new general delivery window and new flooring laid in the office. Corona declares the volume of business at Tahoe has increased approximately 25 per cent since February 28, 1947, and added space was badly needed to handle the ever-increasing summer and Christmas business.

At Tahoe Home

Mr. and Mrs. Brooks Walker of Piedmont were recent weekend visitors at their Tahoe home.

New Equipment Added By Lake Volunteers For Battling Blazes

TAHOE—The Tahoe City Volunteer Fire Department was called out on Monday morning by a fire in the flue of the Martin Spitsen home in Tahoe City. The family called the department because of the intense heat but no action was necessary when the fire subsided. Scorched walls and pipes were the only damage.

Fire Chief Al Henry reports that the new Pacific Marine portable pump recently ordered by the department has arrived and is now ready for use. Proceeds from bingo parties and a large donation from Mrs. Elizabeth Walker of Truckee River made the purchase possible. It will be used outside the Tahoe City fire district, operation possible from any water source where it can be set up within 16 feet. Fires calls may be answered outside the district by the local department with approval of the fire commission.

Tahoe Authors Greeted By Auburn Friends

AUBURN—Dr. and Mrs. George Hinkle of Tahoe were guests of Mrs. Lola Stephens of Auburn last Saturday. Friends were invited to meet the couple who have recently published a book, Sierra Nevada Lakes.

Mrs. Hinkle is principal of the Tahoe branch of Placer high school and her husband is a professor at University of California.

Corona Nomination Sent To Senate This Week

Among nominations for post-masterships in California sent by President Truman to the Senate this week were included three in the Lake Tahoe area. They are Oliver Corona, Tahoe; Jean A. Caple, Stateline and Johannes Philipsen, Tahoe Valley.

Conger's Cafe Adds New Range for '49 Season

TAHOE—Popular Conger's Cafe at the big tree in Tahoe City will open its doors for the summer season May 27 and a number of changes are being made to facilitate service. A new range, to operate with bottled gas instead of oil, is being installed this week, making it cooler for the patrons as well as

Chef Conger. The same excellent quality foods will be served and the same prompt, courteous service will be available.

Fishermen's Luck

Les Fuson of Tahoe took the limit in mackinaw and rainbow last week end and James Baker landed a six pound mackinaw from the pier in the Sunnyside district last week.

STEAKS our specialty

The California Cafe has always taken great pride in the high quality of the steaks and chops which come out of our kitchen. The combination of the finest meat available plus chefs who know how to cook a steak to your individual taste assure you of the best always.

California Cafe

ON THE "CORNER" IN TRUCKEE

FRANK DASSO

STAR SACRAMENTO PITCHER

accompanied his wife to the dinner meeting in the Placer high cafeteria in Auburn, followed by talks in the auditorium.

Al Bequette, county superintendent of schools, spoke in high praise of Mr. and Mrs. Pomin and his cousin, J. E. Pomin of Idlewild, for their long and faithful service to the school at Tahoe.

E. H. Pomin first served as a trustee of the Tahoe school in 1909, followed later by his cousin, Mrs. Pomin has worked tirelessly since 1924, when she first took office, until the present for

the improvement and modernization of the Tahoe Lake School, her efforts starting back in the days of the little one-room red school house which stood on the site of the present spacious edifice.

When Tahoe schools become a part of the new Tahoe-Truckee Unified School District, Mrs. Pomin will have completed 26 years of faithful, effective service for the betterment of educational facilities for Tahoe Lake School District and its pupils.

Mitchells' House Full Over Last Weekend

TAHOE—Every bed, cot and bed roll was taken at the Sunnyside home of Mr. and Mrs. Imon Mitchell over the past weekend as company poured in from all directions.

First to arrive was Loren Holmwood, famous portrait painter who has spent much of the winter at Modesto. Then came Carl Schmidt of Woodland, who is still a guest. Next Mr. and Mrs. William Hommerbocker of Marysville and their daughters, Dorcas and Diane, and his parents, Mr. and Mrs. William Hommerbocker Sr. of Maryland. On Friday the party was augmented by Dan Franco of Sacramento; Mr. and Mrs. Hal Sharrow and infant son Steve of San Anselmo. Already visiting the Mitchells were Barry and George Franco of Sacramento and the Mitchells have a nine-months-old son, Imon Dale Jr.

Fortunately, Mitchells enjoy company.

Andersons Return From Motor Vacation Trek

TAHOE—Mr. and Mrs. A. M. Anderson returned to Tahoe last week from their annual motor vacation which took them first to Oregon and Washington to visit relatives. From there they followed the Columbia River highway to Missoula, Mont., to visit his mother, Mrs. Martin Anderson, and other kin. En route they visited briefly in Couer d'Alene, Idaho.

From Missoula they passed through southern Montana, Idaho and into Wyoming where they pulled into Betty Woolsey's Trail Creek ranch near Jackson Hole. Their daughter Kay has been vacationing there for some time and has regained her health following an operation on her back a month ago.

While at the ranch, Anderson enjoyed some excellent fishing in the Snake River and Beaver Ponds, bringing in the limit each time out. The Andersons were thrilled with the wildness of the rugged Teton Mountains which tower from the midst of the barren plains. They sighted several thousand elk in the Jackson Hole reserve as well as grouse, deer, mountain sheep and a moose which wandered into the ranch yard to browse around in the garden.

Their daughter accompanied them home to Tahoe for the summer season.

Mrs. Evie Waters Lands 9 Pound Mackinaw

TAHOE—Fishing honors this week go to a Tahoe lady, Mrs. Evie Waters. On Sunday while out fishing in a boat near the state campgrounds just north of Tahoe City she suddenly found she had a big fish on her top-line which was causing considerable commotion. Without any help from her husband, Gerry Waters, she brought the big fellow in all by herself. She battled the fish for a good ten minutes and when she netted it, it proved to be a nine pound mackinaw.

Numerous limits have been reported during the week. Reports from all sections indicate that despite continued cold, rain, hail and fog, fishing in good at Tahoe.

Accident Last June Is Cited in Suits

Damage suits against the Burlington Transportation Co. were filed in the Nevada County superior court this week totaling \$38,227.59. The plaintiffs are Doria and Iver Peterson of Gridley who charge they were injured in an accident near Soda Springs on June 20, 1948 when the bus on which they were passengers left the road and ran into a bank.

Cargo Trailer Upset At Junction of Roads

A huge cargo trailer overturned near the intersection of Highway 20 and US 40 Saturday morning at 3:30 o'clock when a truck driven by George D. Rhodes, 51, San Francisco, for the ONC Fast Freight Lines, got out of control. The driver, who was not hurt, was cited by State Patrolman Roy Stallard for speeding.

Teacher Shows Photos Of School Ski Meet

TAHOE—Miss Betty Lee, elementary teacher of the Tahoe Lake School this week had on display photographs taken of the children of the school at Grani-bakken ski school where Kjell Rustad was hired by the school board to instruct the children in skiing. The occasion of the pictures was the junior ski meet staged on April 24 about the students had received about three weeks instruction. Their parents and spectators were surprised at the skill developed and hope the classes may be resumed when winter snow again falls.

Choir Prepares

TAHOE—Mr. and Mrs. Herman Rauh of Tahoe Community Church report the largest attendance of the year at services in the Chapel of St. Nicholas near Tahoe Tavern last Sunday. Gary Henry and Randall Pomin are now acting as servers to Lay Reader Rauh during the worship services, each wearing purple robe and white cotta. Next Sunday Teddy Rauh will become a server at 11 a.m. devotions.

The choir will meet in Tahoe Community hall at 7:45 Thursday night for practice. Twenty voices are now training for summer services in the outdoor chapel.

MY PLACE in the SUN

by DOUG BARRETT

In case you missed 'em Steve Cozzi and Gene Riden were picked for jury duty at the county seat this week. County Assessor Phil Scadden and Deputy Bill Tamblin were in town this week going about their business. If they missed you, don't worry. They'll be back right soon. Mrs. Sam Costa Sr. wading a torrent up to her ankles last Thursday at the corner of Spring and Commercial during the cloudburst. Lightning decommissioned two utility poles and kept Steve Kolos clanking up and down the main stem with his climbing spurs jangling. The Pacific Tel and Tel boys deserve a lot of credit for the job they did trying to keep our telephones in service during the lightning storms. Ralph Graham up from Sac to visit and do a little fishing, reports Ruth and the boys are in first rate shape. Met Miss Suzy Porter, 8 month old daughter of the Bill Porters, Sunday but did not take notes on the interview. At any rate, she's a nice looking youngster and I won't say who she takes after. The brothers Leamon, Bob and Jim, each got 5 1/2 pound mackinaws on

succeeding mornings. Tex Garrett trimming Bob Seibold as the latter watched the passing parade. That new vegetable stand at the Public Market is Dave Rose's own design, he tells me. It was the 46th wedding date for Dr. and Mrs. J. H. Bernard yesterday. All the best to both.

AAUW Meets at Home of Mrs. Ray Scott Here

Members of the Tahoe Sierra branch of the American Association of University Women met at the home of Mrs. Ray Scott in Gateway Park on last Wednesday evening. Principal business of the evening was the perfection of plans for the association's sale of tickets for the Mikado, shown at Kings Beach on Tuesday night. Proceeds from the venture went into the AAUW coffers for their 1949 scholarship fund. Children from schools of the Tahoe-Truckee area are eligible to receive the award, this being the second year the fund has been established.

Those enjoying the social evening and delightful refreshments included Mesdames Marion Rustad, Diana Warner and Florence Slade, Miss Edna Lardner, Miss Kay Starratt, all of Tahoe, and Mrs. Milton Hogle of Donner Summit.

"Honeybunch" Chef To Cook at Lake Inn

Tom Bonano and Edgar Myers, managers of Lake Inn just north of Tahoe City on the Truckee-Lake Tahoe highway, announce the seasonal opening of the popular establishment on Friday, May 20. The resort will feature the "best in foods" and has a popular cocktail department.

An outstanding feature this season will be the fact that the kitchen is under the capable direction of Mrs. Rose Boylides, former manager of Honeybunch's Cafe at Tahoe City. Mrs. Boylides is well known and her cafe during recent years at the lake has been one of the most popular.

Railroad Visitors—

E. E. Larkin, general agent for the Union Pacific, and L. E. Plumm, traveling freight and passenger agent for the Southern Pacific, visited in Truckee today.

Oakland Guests—

Mr. and Mrs. Ed Smart left yesterday for their home at Oakland after spending a week with their son and daughter-in-law, Mr. and Mrs. Reg Smart.

Here Sunday—

Mr. and Mrs. James Owens of Sacramento visited local friends on Sunday. They came up for the baseball game which was postponed because of inclement weather.

Anniversary in Idaho—

Mr. and Mrs. Harold Langille celebrated their wedding anniversary with Mr. and Mrs. Jack Langille at Boise, Idaho, Sunday, May 15. They returned home on Tuesday.

Brother Here—

Mr. and Mrs. William Campbell have been hosts to George Sharrar of Long Beach, brother of Mrs. Campbell.

To Colfax—

J. F. O'Neill was a recent Colfax visitor at the home of C. H. Johnson.

FLOWERS—Order your flowers for MEMORIAL DAY, May 30, from Truckee Colonial Mortuary. Phone Truckee 12W. m26

CARD OF THANKS

We wish to thank the Truckee Volunteer Fire Department and our neighbors for their quick response to our call on Monday evening.
—H. S. Eaton and family

Barton Leases Store at Lake to Moore-Tally

Because of the illness of his wife and the fact that his son, Raymond, is steadily employed elsewhere, Fred Barton of Brockway this week announced that he has leased his electrical appliance store at Brockway to Moore-Tally Inc. for the summer. Barton will continue to operate his electrical contracting business.

Visit Mother—

Misses Lois and Wilma Horsley who are attending school at Richmond have been visiting their mother, Mrs. Vivian Horsley in Truckee. The two young women plan to spend the summer here as soon as their school closes early next month.

Return from Convention—

Mr. and Mrs. Cecil Edmunds returned from Los Angeles where he attended a large public utilities convention. Governor Earl Warren was a principal speaker.

To Portland—

Mr. and Mrs. T. T. Buell left for Portland, Oregon, where they are visiting their son-in-law and daughter, Mr. and Mrs. Allen Ainey.

Here from Homewood—

Carl Schmidt of Woodland was in Truckee Wednesday from Homewood where he is employed.

Hoskins Is Officer Of Sheriff's Ass'n

Sheriff R. W. Hoskins was elected sergeant at arms of the California Sheriffs' Association at the annual meeting held at Yosemite last week. Sheriff John E. Loustalot of Kern County was named president.

The Only Way

- There is only one way to fill prescriptions and that is to follow doctor's orders to the letter. That is the one way and that is the way we do it.
- We realize that when a prescription is brought to us we are working hand in hand with a doctor whose instructions must be followed exactly. Our years of experience has given us a reputation for perfection. You can rely on us every time for the best in prescriptions carefully compounded.
- Then there's the matter of quality of merchandise. We can truthfully say that you can do no better than right here when it comes to the best in drug products.
- Next time and everytime try Loynd's first. You can rely on us for the best.

Tarzan

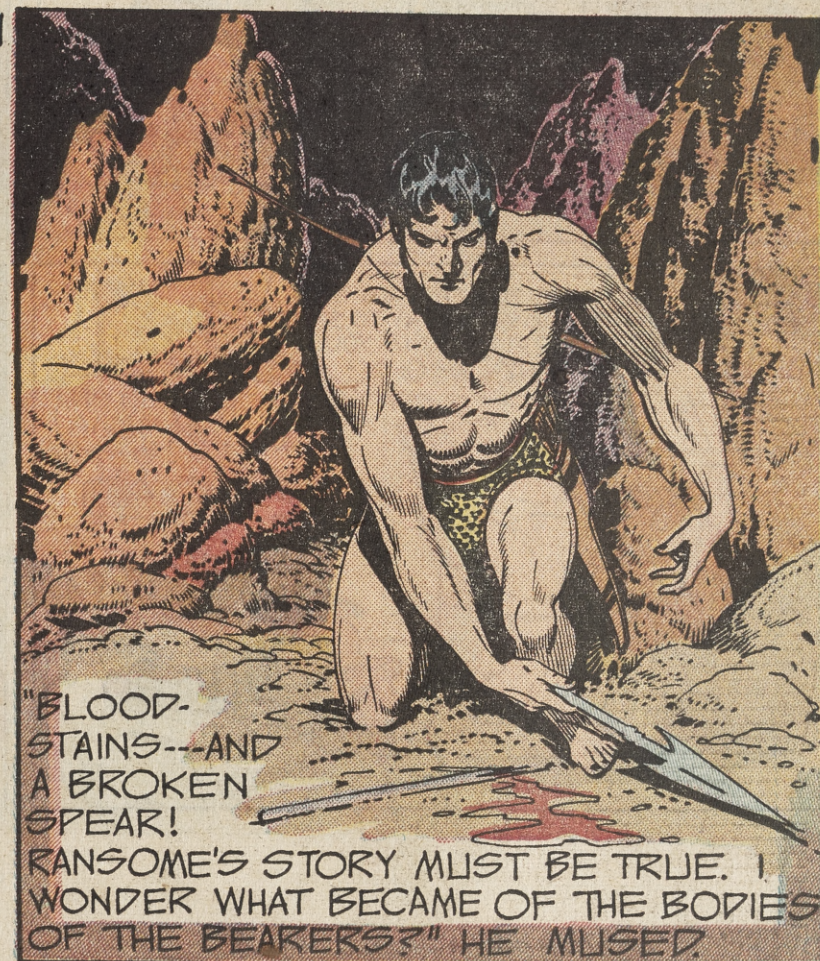

by EDGAR RICE BURROUGHS

TRAVELING SWIFTLY, TARZAN CAME AT LAST TO THE FOOT OF THE ASHANGOLA MOUNTAINS AND TO WHAT HE BELIEVED TO BE THE PASS DESCRIBED BY PHILIP RANSOME.

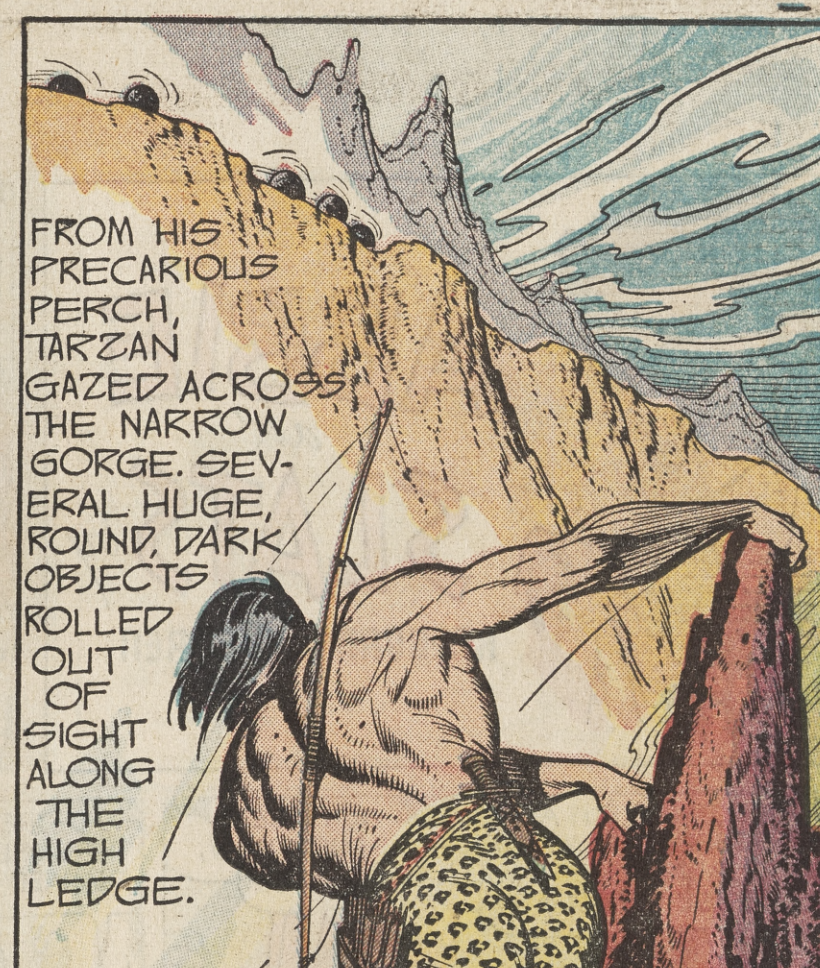

"THOSE BOULDERS ON THE EDGE OF THAT LEDGE," TARZAN MUSED, "WERE PLACED THERE BY HUMAN HANDS!"

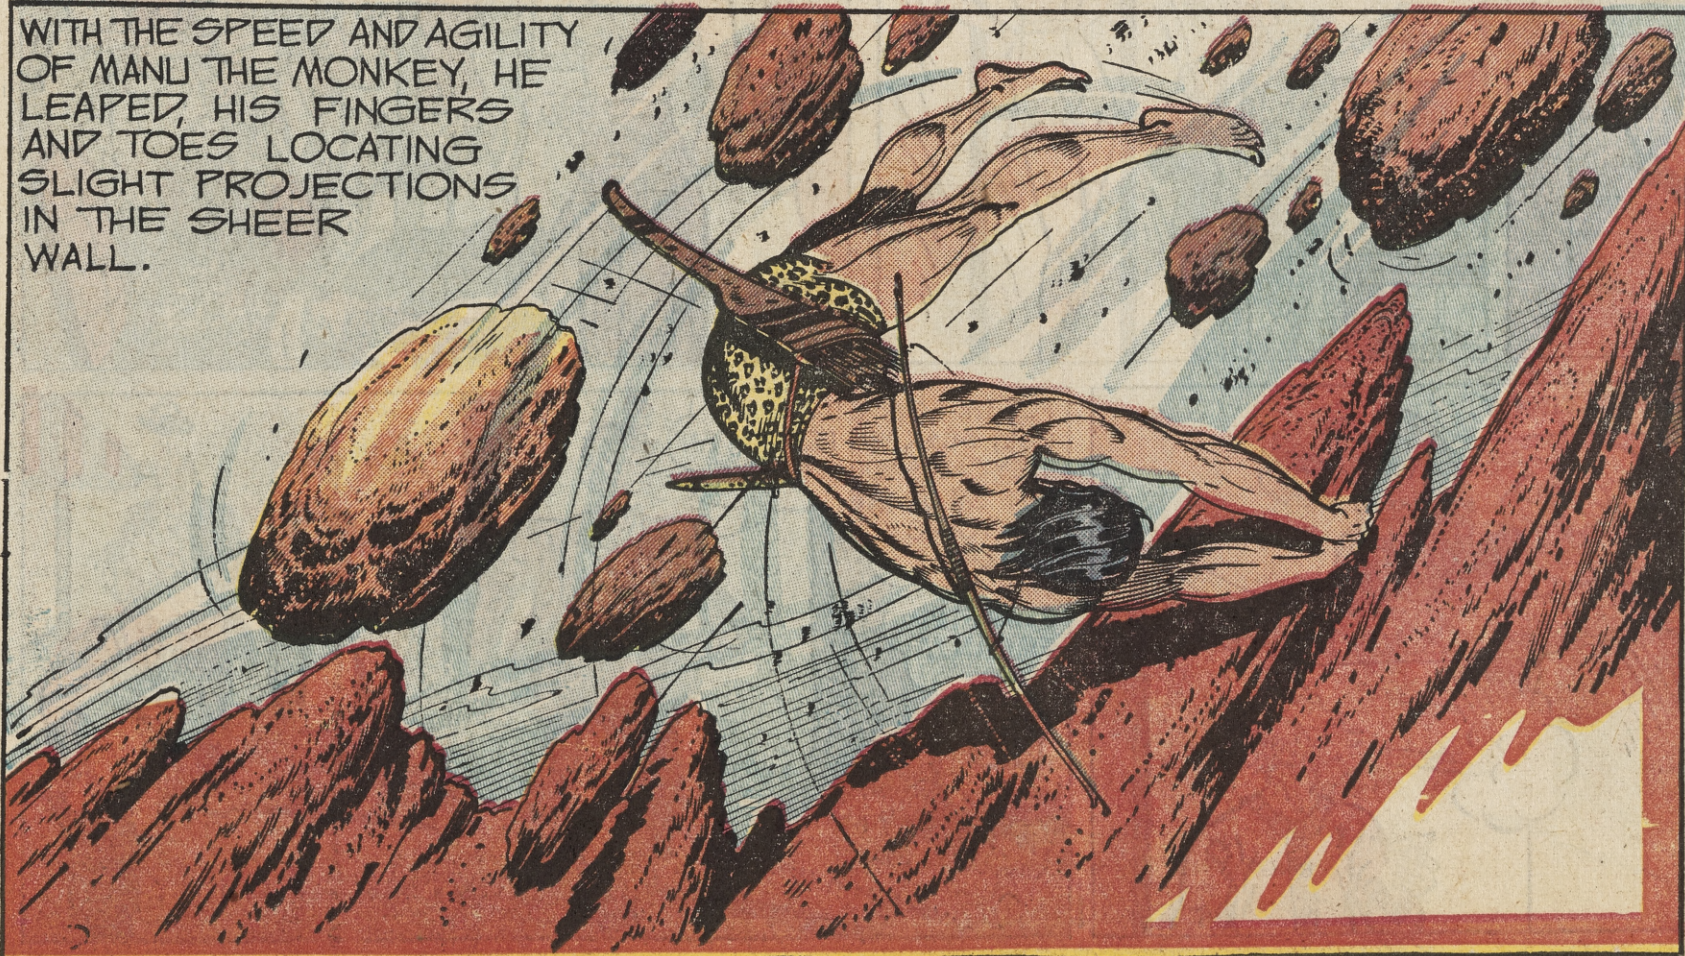

"BLOOD-STAINS--AND A BROKEN SPEAR! RANSOME'S STORY MUST BE TRUE. I WONDER WHAT BECAME OF THE BODIES OF THE BEARERS?" HE MUSED.

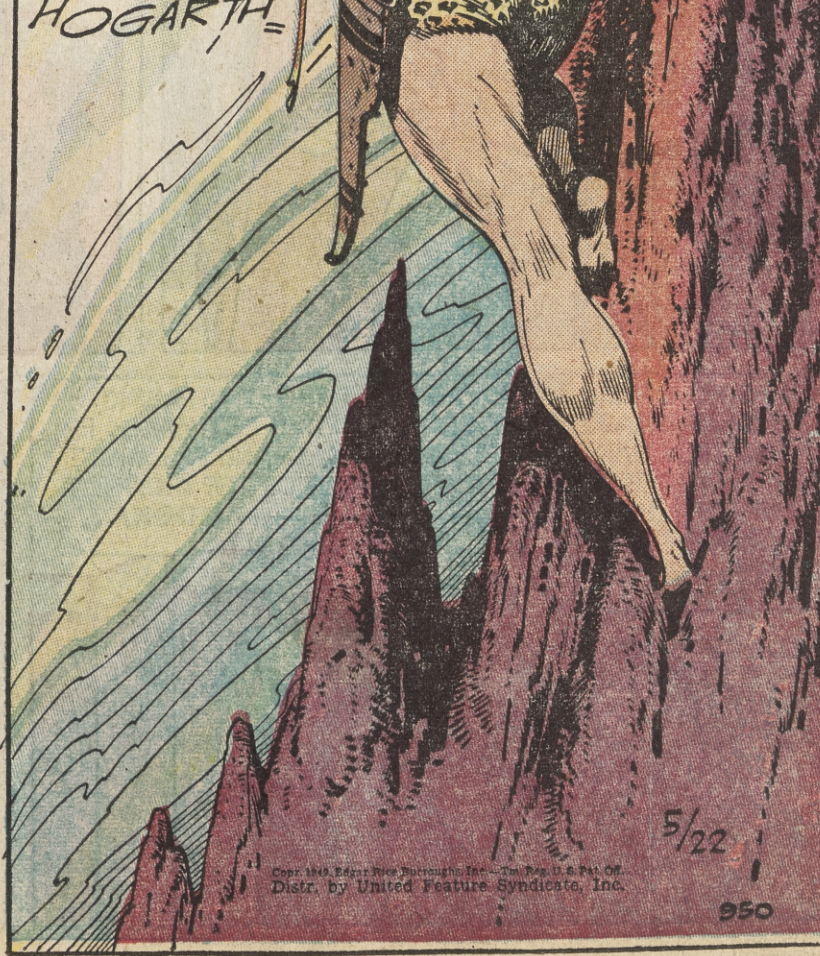

A SUDDEN NOISE AND HE GLANCED UP QUICKLY-- TO FIND HIMSELF IN THE PATH OF DESTRUCTION!

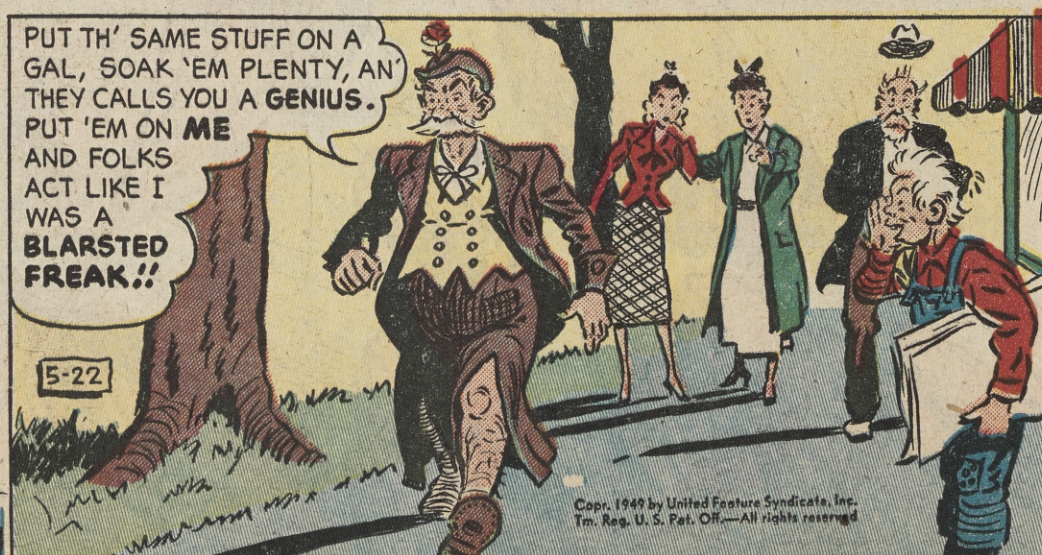

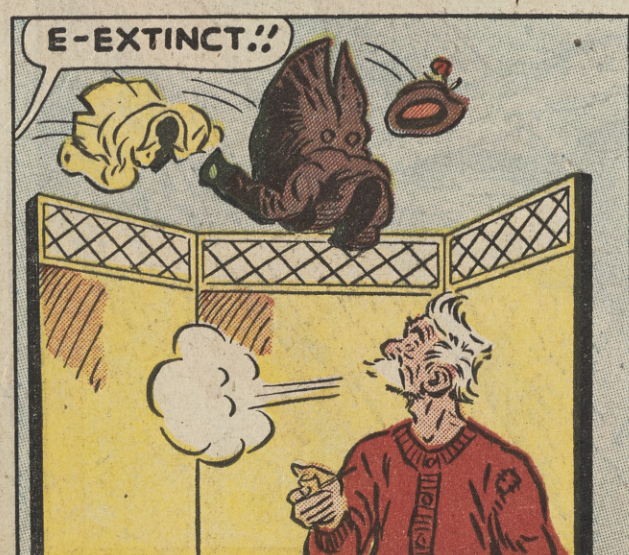

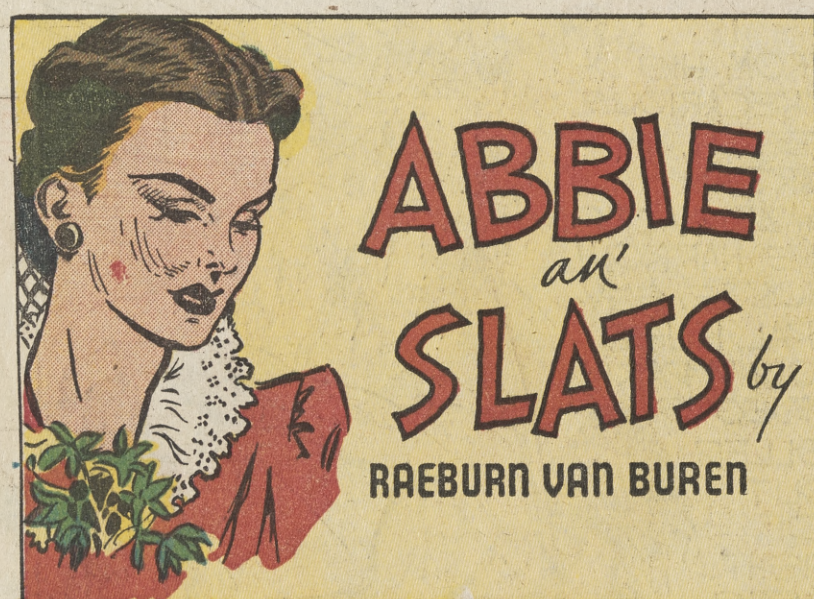

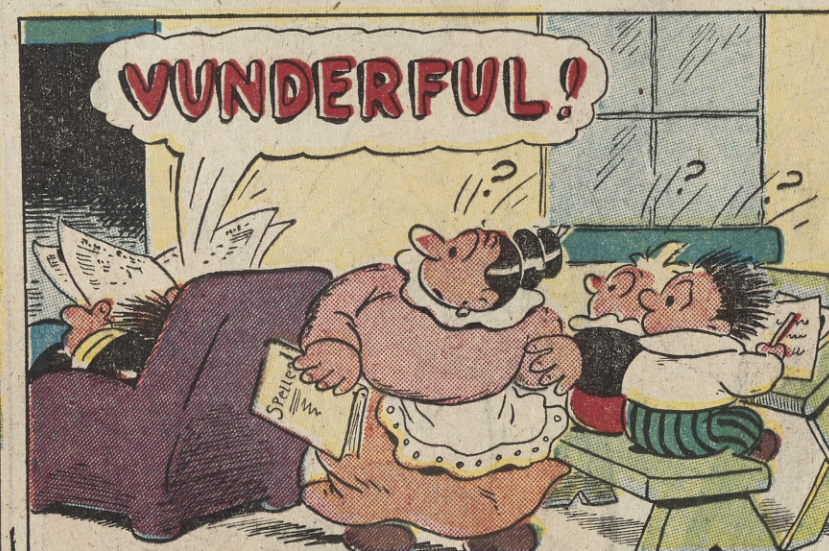

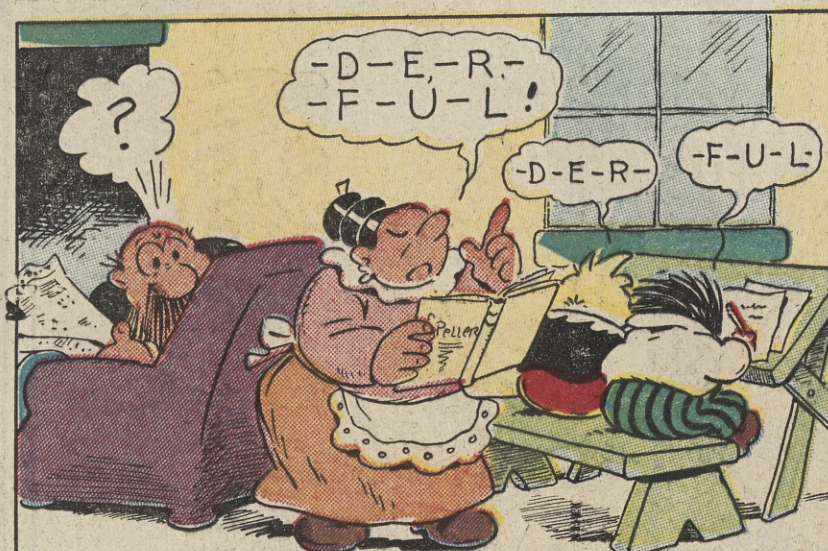

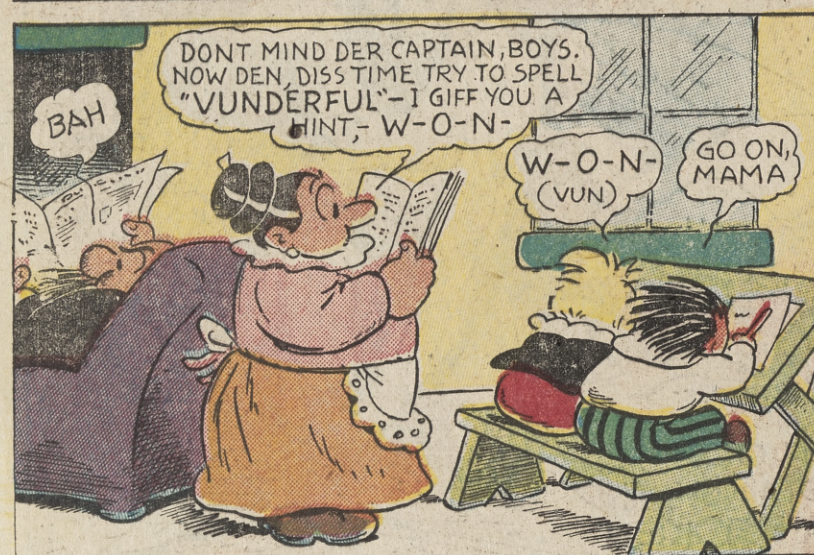

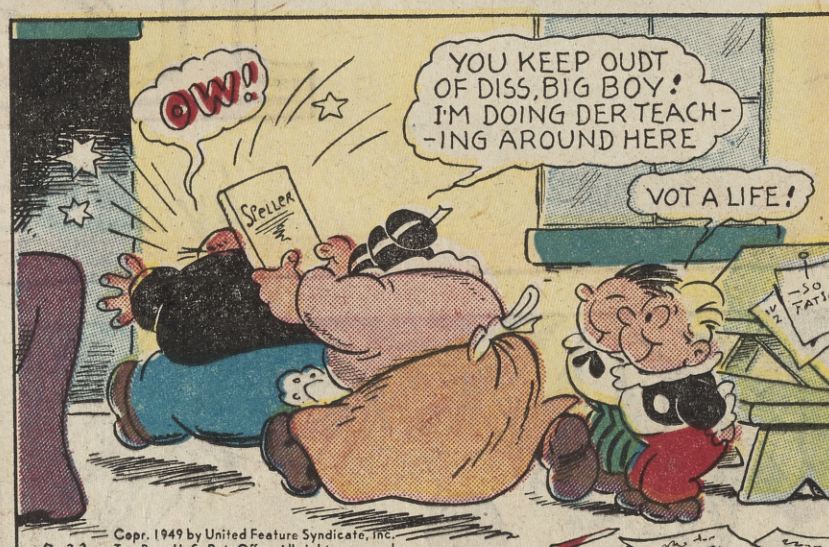

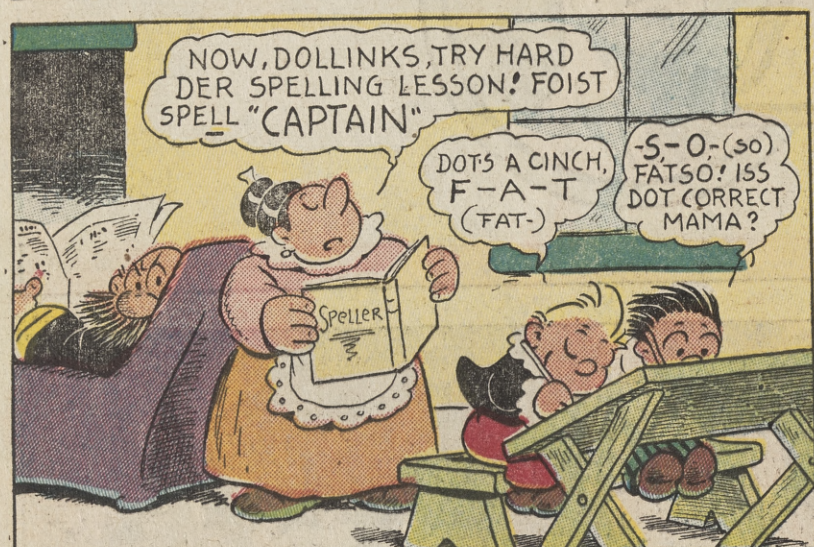

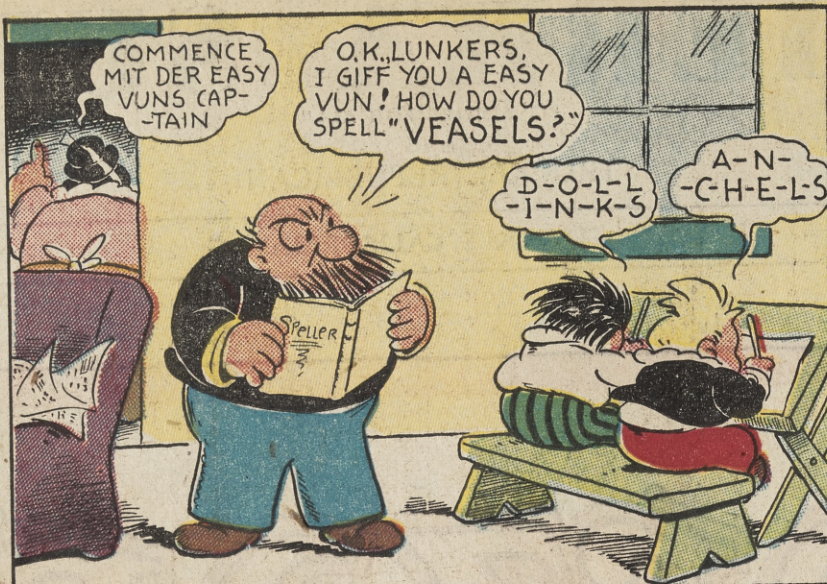

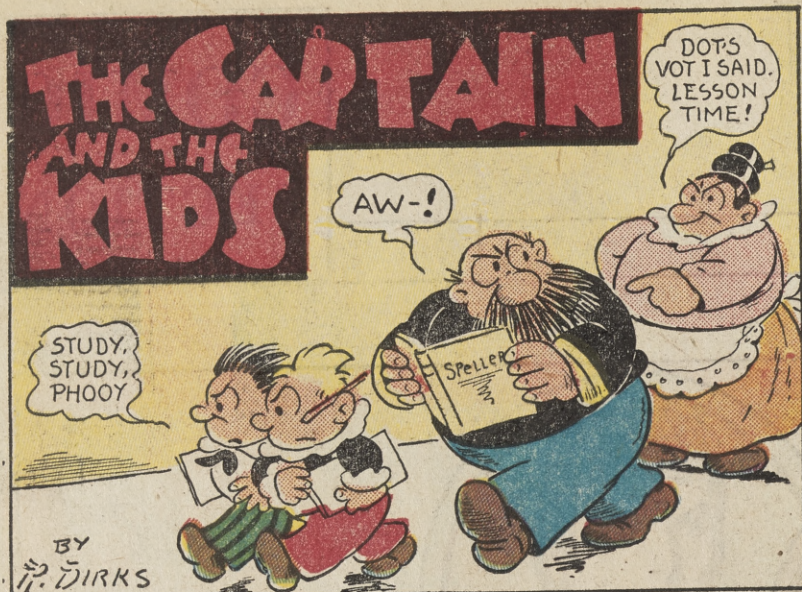

FROM HIS PRECARIOUS PERCH, TARZAN GAZED ACROSS THE NARROW GORGE. SEVERAL HUGE, ROUND, DARK OBJECTS ROLLED OUT OF SIGHT ALONG THE HIGH LEDGE.

WITH THE SPEED AND AGILITY OF MANU THE MONKEY, HE LEAPED, HIS FINGERS AND TOES LOCATING SLIGHT PROJECTIONS IN THE SHEER WALL.
